- Licensing, Regulation and Alcohol Strategy
- Northern Territory WorkSafe
- Corporate Management

Department of Justice

Our Vision

An integrated organisation that shapes a safe and fair Northern Territory.

Our Mission

To foster a relevant and accessible justice system.

Our Core Business

- Provide advice to Government on justice related issues.
- Develop, coordinate, implement, and evaluate Government policy.
- Manage programs and projects that develop, support and protect the community.

Our Values

Integrity

Act ethically, openly, honestly, fairly and with accountability.

Courage

Provide robust advice and lead confidently.

Respect

Listen to and value different backgrounds, perspectives, ideas, and contributions.

Professional Excellence

Represent positively the Department and the Northern Territory Government.

Commitment

Strive to achieve the Department's strategic directions.

Success Indicators

- Reduction in violent offences.
- Increased delivery of culturally appropriate programs, mediation and advocacy.
- Reduction of harmful environmental impact by the Department.
- Be an intergenerational employer of choice.
- Strategic direction is embraced and leadership is valued.
- Increased demand for professional advice.
- Reduction of regulatory breaches.
- Reduction in recidivism.
- Reduction in alcohol related harm and anti-social behaviour.
- Improve prosecution success rates.
- Increased workplace safety standards and compliance.
- Increased participation in proactive policy advice.
- Increased Indigenous employment.
- Reduction in rates of Indigenous offending.
- Increased delivery of culturally appropriate programs and advice.

Our Strategic Themes

The strategic themes underpin the Justice portfolio.

Our themes are:

1. Strong partnerships and co-ordinated responses.
2. Improved services to remote and regional areas.
3. Services that are matched to community needs.
4. Provide inspired guidance for Government policy development and decision making.
5. Improved community understanding of the justice system, services, and individual rights and obligations.

Integrated Justice Information System

- Revised the Governance Framework to reflect Government stakeholders.
- Implemented in 1992 cost \$2.2M
- Over the past 16years \$12M upgrades
- Business Process Review currently underway.
- Currently reviewing Business and Technology options.

Northern Territory Correctional Services

- Integrated Offender Management System
- Cashless Vending Machines within the Alice Springs Correctional Centre
- Prisoner Money Management System
- Intelligence tools
- Improved Video Conferencing Facilities
- Technology for the Barkly Work Camp
- Technology to support a New Prison.

Licensing, Regulation and Alcohol Strategy

- COAG harmonisation (National) – Business Names Systems
- Support further Legislative Changes pertaining to:
 - Alcohol strategy
 - Licensing and Regulation
 - The Photo Identification System
 - Implementing Case Management Systems

Northern Territory WorkSafe

- COAG harmonisation activity - Licences
- Further Development of the Work Safe Information System tender to be released 13/5/2010.
- Implementation and integration of case management and older, smaller systems.

Courts Support and Independent Offices

- Court Case Management system
- Court Strength Video Conferencing Framework.
- Wireless Hot spots implementation for the Supreme Courts
- Business Enhancements within IJIS to support:
 - Additional Red light and Speed Cameras
 - Business Intelligence within IJIS.

Knowledge and Information Management

- Further Investigations into the implementation of Electronic Document and Records management – currently performing an internal risk assessment.
- Further Continual investment into knowledge management strategies and framework.
- Further integration with our  Search appliance.
